WEBANCOR BOWED ROLLS

Picture shows large Fixed Bow Bowed Rolls ready to be packed for export. They are 8" dia and 220" long.

We manufacture bowed rolls from 1 ½" dia. to 12" dia. for specific applications. Custom sizes can be supplied. Rolls can be supplied with custom mounts or for retro-fitting to existing mounts of other manufacturers.

We specialize in supplying rolls for machinery builders to individual specifications.

Fully adjustable bow, bowed rolls are also available in many sizes, and can be supplied with foot for flange mounts. Locking handwheel adjusters are usually supplied with foot mounts. Plain journals made to retro-fit existing mounts.

Standard diameters are made with modular bearing housings for quicker delivery.

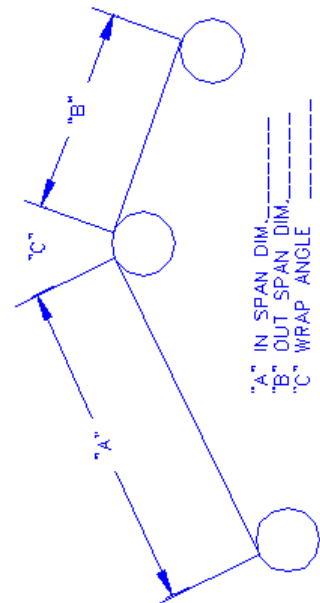

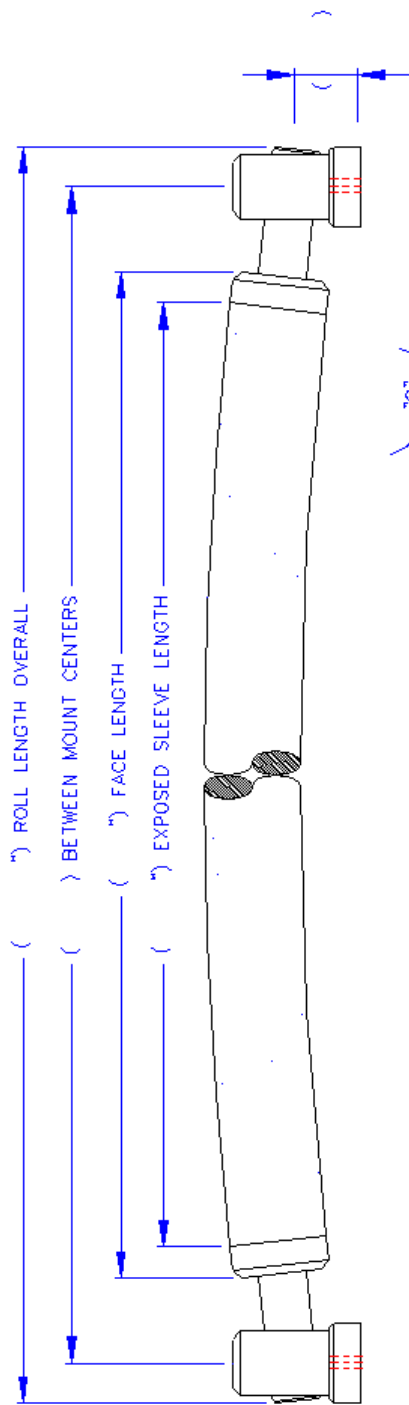

Standard diameters include 3", 3 ½", 4", 4 ¼"

Any diameter and length can be manufactured on our **CNC** machines to fit all requirements.

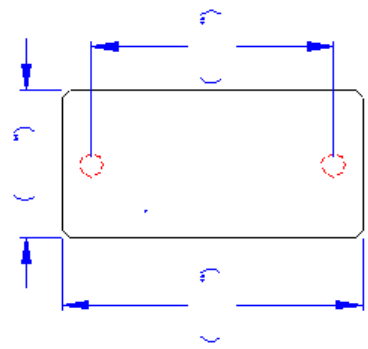

Special requirements such as high speed operation, special sealing, balancing, special mounts can be accommodated.

Other **WEBANCOR** products include Air and Mechanical Core Shafts. Air and Mechanical Core Chucks.

CORE SHAFTS, CHUCKS and BOWED ROLLS.
(BR-1) Sales offices in Canada, USA, Europe, and Indonesia
Look for www.webancor.com on the Internet

NOTE: standard bow is 1% of face length
provide required bow dimension if different
